

MEMENTO 2.0

Room for character

Enjoy the purist lightness of Memento 2.0. Minimalist and distinctive. The modern premium bathroom collection is made from our high-quality ceramic TitanCeram. Precise contours and thin walls lend a particularly intricate appearance to Memento's unmistakeable look. Strikingly true-to-style – a bathroom that creates room for character(s).

Washbasins

- + Memento washbasins now in a delicate new look that retains Memento's distinctive design
- + Thin walls made from TitanCeram for elegant and timeless design plus increased strength and stability
- + Many different models and sizes available (with and without overflow)
- + Functional, deep basin
- + Matching furniture programme: Finion and Legato

Wall-mounted toilet and bidet

- + Minimalist design and clarity of form
- + Rectangular, wall-mounted toilet with innovative DirectFlush and AquaReduct technology (3/4.5 l water consumption)
- + SupraFix 3.0 allows for easy installation without a visible attachment
- + Toilet seat with SoftClosing and QuickRelease

Colours

- + Available in the classic White Alpin, Star White and Glossy Black plus, with TitanGlaze, the three new matt colours Stone White, Ebony and Graphite
- + The Concrete finish further accentuates the stylish surface-mounted washbasins and underlines the urban look of the collection
